No Orders For Less Than 100 Strawberries

The Victory Garden Program is creating a very distinct increase for the demand of Small Fruit Plants, and many items we are offering in this list are already dangerously short.

Michigan grown Strawberry Plants are very short this season with inspected acreage only approximately one-third of the below normal supply of last year; thus the sharp advance in price.

Orders will be placed on file and shipped as received regardless of shipping date, until our supply is exhausted.

Labor and Transportation is the No. 1 problem this season, therefore, allow an extra day or two for transportation.

TERMS: 2% discount for payment upon receipt of stock to parties with established credit; or 10 days net, 5% discount for cash with order. Orders amounting to less than \$5.00, cash with order. C. O. D. must be accompanied with one-third cash deposit.

In order to give you the best possible prices on quality stock, we must adhere strictly to the above terms. We do not carry first of June accounts.

Any possible claims for rejection or deficiency must be made within ten days after arrival of stock. All shipments travel at the cost and risk of the purchaser except when otherwise agreed.

All prices subject to change without notice. Boxing and baling free.

300 at 1000 rate.

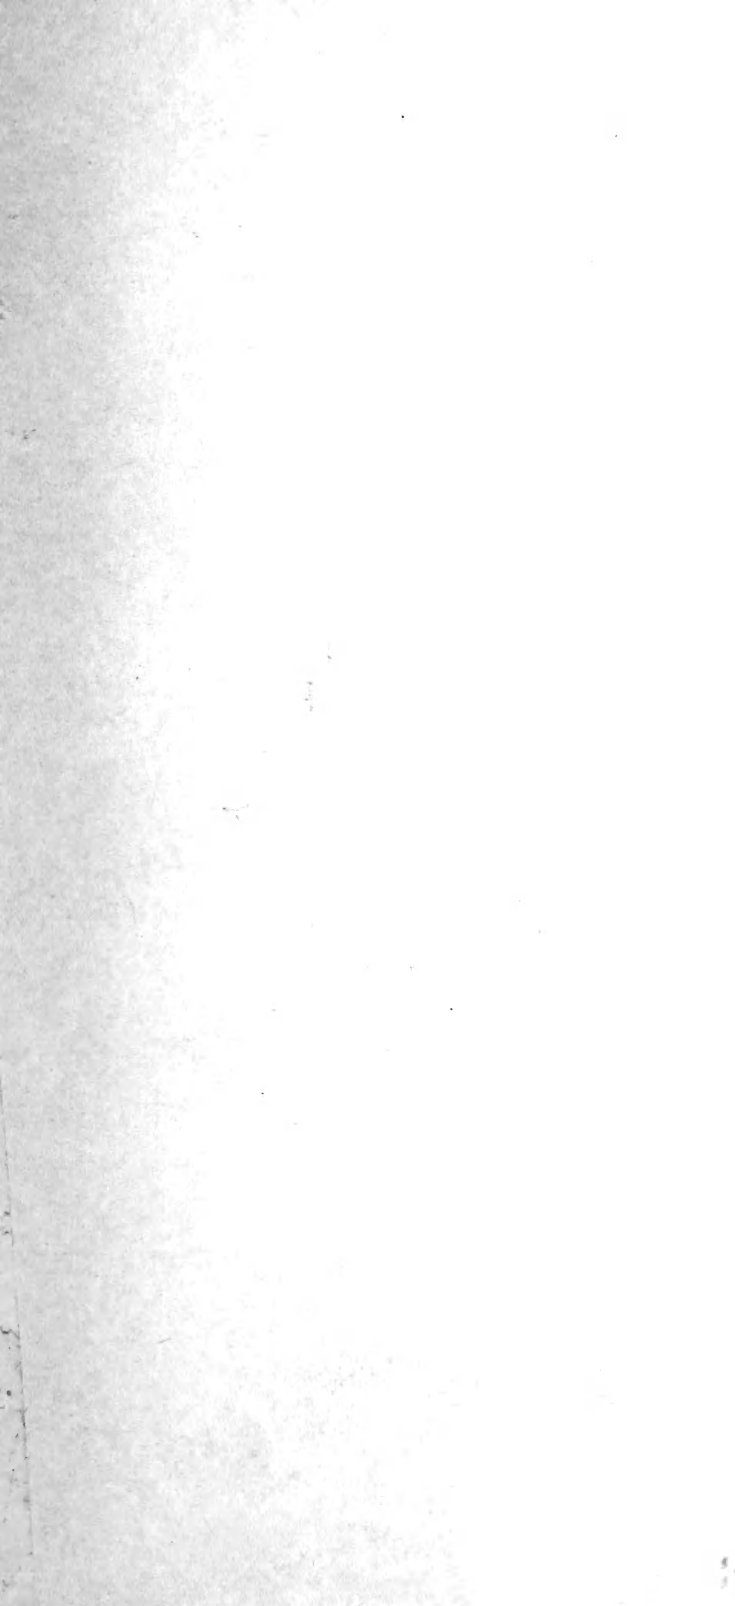

Strawberries, 500 at 1000 rate.

If you do not see the items you want, write us. We list only stock that we grow and are not sold out of. We have many items in small quantity that we do not list. Most of our stock is dug in the Fall, therefore making it possible to give good service at any time.

All shipments leave the Nursery in good condition. Any injury to boxes and bales in transit should be noted upon the freight bill before acceptance at the depot. Our responsibility ends when shipments are accepted by the carrier.

Kindly advise when ordering, the method of shipment desired, otherwise we will use our best judgment in shipping the shortest and safest route. We deliver by truck within a reasonable distance.

All prices subject to prior sale and loss.
